Toru,

We have a CAC meeting next week Wednesday, March 21, 2007 and would like to pass out materials to them at that meeting as well as putting it on our web site and mailing to our mailing list. We would like to have the following information by end of Monday, March 19, 2007:

1. Table 7-4 Estimated Revenue Versus Cost - 2006 to 2030 (Technical Report; page 154 on final report, your page number may be different. This is the second to the last page of the stapled material Shevaun gave you when we met this Monday.
2. Revised highlighted sections on the attached table.

Thanks.

Gordon
